

**16<sup>th</sup> International Neuroscience Winter Conference**  
April 8<sup>th</sup> – April 12<sup>th</sup>, 2014  
**Das Central Hotel, Sölden, Austria**

**WELCOME**

Dear Industry Representatives,

The International Neuroscience Winter Conference in 2014 is the 16<sup>th</sup> in a row of most successful winter conferences at Das Central Hotel Sölden. Sölden is a lively village about 1 h drive from Innsbruck, Austria and hosts one of the major ski resorts in Austria.

Das Central Hotel, the conference venue, is the top hotel of the resort and offers wide spa facilities, 5-star class service and a gourmet restaurant with 2 toques in the Gault Millau restaurant guide. The rates offered to conference delegates are reduced rates including a rich buffet breakfast and a 5-6 course gourmet-dinner in the awarded restaurant. Snow conditions by mid-April are usually excellent and, as a result of the high altitude of parts of the skiing area which can be reached by cable cars directly from Sölden, sufficient snow for skiing and snowboarding can be guaranteed.

Major topics will be covered by keynote lectures, symposia and special interest sessions. However, any contributions from participants in the field of basic and clinical Neuroscience are welcome. Submitted abstracts will be presented as posters.

## HOW TO GET TO SOELDEN

### TRAVEL INFORMATION

#### BY PLANE

The closest airports to Sölden are Munich (Germany) or Innsbruck (Austria).

#### AIRPORT TRANSFER

##### 1. Innsbruck

The most convenient way is to take a cab; if you travel alone, it is also the most expensive one. You can, however, split the taxi fare from Innsbruck to Sölden among up to eight persons, depending on the size of the taxi. Travel time 1 hour.

Public transportation (travel time approx. 2 hrs):

By train from Innsbruck Main Railway Station to Ötztal Bahnhof, then by bus to Sölden (frequently during daytime).

By bus from Innsbruck Main Railway Station directly to Sölden (several times daily).

##### 2. Munich

An airport shuttle can be ordered through "Four Seasons Travel" in Innsbruck :

Contact phone (enquiries, prices and reservations):

+43-512-584157 or

office@airport-transfer.com

Please note that shuttle fares from Munich are lower as the shuttle operates on a regular schedule. Shuttle transfer time from Munich approx. 3 hrs and from Innsbruck 1 hr.

#### BY TRAIN

For train schedule (to station Ötztal Bahnhof) from Innsbruck or Munich on the Internet see: [www.bahn.de](http://www.bahn.de) or [www.oebb.at](http://www.oebb.at)

From station Ötztal Bahnhof you can travel with public bus (40 minutes) or taxi (25 minutes) to Sölden.

#### BY CAR

Sölden can be reached from the Austrian motorway A 12 (west, direction Bregenz, if coming from Germany or Italy or Eastern parts of Austria and Europe), take exit "Haiming / Ötztal" and drive south to Sölden. If coming from Switzerland, pick up A12 at Landeck and drive east, direction Kufstein, and exit at "Haiming / Ötztal", and drive south to Sölden.

The road from the motorway to Sölden is well maintained and an easy drive. Be prepared, however, for winter conditions, as snowfall might occur, and special winter tires are obligatory at such conditions.

Please note that the direct road from Northern Italy (Bolzano - Merano - Timmelsjoch Pass - Sölden) is closed in winter until late May, and therefore you need to drive via Brennero - Innsbruck if coming from Italy.
